IT Career Management Strategies

About this Course:

In this training video, two tenured CEO's have come together to share their insights on IT Career Management Strategies. This is particularly important in 2020, as the world's economy faces new challenges leading to increasing unemployment. However, with new challenges come new opportunities.

The discussion is led by Ed Sattar, the CEO of QuickStart, and Kim Kelly, the CEO of Pepelwerk. Ed Sattar has more than two decades of ED tech and work force readiness experience as an entrepreneur, investor and as a venture capitalist. Kim Kelly has 20 years of human capital management? & co-founded Pepelwerk.

Course Objectives:

The following are covered in this training:

- IT Employment Trends
- Key things Employers are looking for
- What Job Seekers should do

Course Outline:

- Employment Trends
- Key Things Employers are Looking for
- What Should Job Seekers do

Credly Badge:

Display your Completion Badge And Get The Recognition You Deserve.

Add a completion and readiness badge to your Linkedin profile, Facebook page, or Twitter account to validate your professional and technical expertise. With badges issued and validated by Credly, you can:

- Let anyone verify your completion and achievement by clicking on the badge
- Display your hard work and validate your expertise
- Display each badge's details about specific skills you developed.

Badges are issued by QuickStart and verified through Credly.
