Technology:

Difficulty: Beginner

Course Duration: 3.5 Hours

Designing and Storyboarding

A storyboard is a great instrument for ideation. In UX design, storyboards shape the user journey and the character (persona). They help designers to string together personas, user stories and various research findings to develop requirements for the product.

Course Outline:

Credly Badge:

Display your Completion Badge And Get The Recognition You Deserve.

Add a completion and readiness badge to your Linkedin profile, Facebook page, or Twitter account to validate your professional and technical expertise. With badges issued and validated by Credly, you can:

- Let anyone verify your completion and achievement by clicking on the badge
- Display your hard work and validate your expertise
- Display each badge's details about specific skills you developed.

Badges are issued by QuickStart and verified through Credly.
